FOURTH AFFIDAVIT OF CHRISTINA R. ROLLE

I, **CHRISTINA R. ROLLE**, Executive Director of Securities Commission of The Bahamas ("the Commission") of the Island of New Providence, one of the Islands of the Commonwealth of The Bahamas, **MAKE OATH AND SAY** as follows:

1. I make this Affidavit on behalf of the Commission, the Claimant herein, in my capacity as Executive Director of the Commission.
2. The facts referred to herein are, unless otherwise stated, within my own knowledge or are obtained from information and documents in possession of the Commission and are true to the best of my knowledge, information and belief. Where the matters deposed hereto are not within my knowledge, they are derived from sources I have identified herein and verily believe to true and correct.
3. This is the Fourth Affidavit sworn by me on behalf of the Commission in this Action. For the avoidance of doubt, I continue to rely upon the content of my previous affidavits and exhibits. There is now produced and shown to me marked Exhibit "CR-1", a paginated bundle of

documents to which I shall refer in the course of my Affidavit. References to pages numbers in this Affidavit are references to page numbers in the said paginated bundle unless otherwise stated.

4. I make this Affidavit in support of the Commission's application for directions respecting following issues; namely –

(a) Whether the Commission may transfer to the Joint Official Liquidators of FTX Digital Markets Ltd ("FTXDM"), or as directed by the Joint Official Liquidators, the digital assets held by the Commission for the benefit of the clients and/or creditors of FTXDM by virtue of the Order made by The Honourable Justice Klein on 12 November, 2022 ("the Transfer Order") and subject to directions for the continued safe custody of the said assets issued by this Honourable Court to the Joint Official Liquidators in the proceedings for the winding-up of FTXDM.

(b) Whether the Commission ought be discharged of its trusteeship over the said digital assets being held by virtue of the Transfer Order and Supplemental Transfer Order.

(c) Such further and other relief as the Court seems just; and

(d) Costs

5. On 12 November 2022, upon application of the Commission, this Honourable Court made an Order directing FTXDM to transfer all digital assets in FTXDM's possession, custody and/or under its control, whether or not being held on trust, to the Commission ("the Transfer Order")¹.

6. On 21 November 2022, this Honourable Court made a further Order ("the Supplemental Transfer Order")² that:

"1. The digital assets transferred by FTXDM to digital wallet(s) established and maintained by the Commission ("the Commission") under the authority of the Order of The Honourable Justice Loren Klein made on 12 November 2022 to enable to regulatory and administrative action by the Commission to protect the assets of FTXDM in the interest of the clients and creditors of FTXDM, shall continue to be held

¹ See pp. 1 – 3 of CR-1

² See pp. 4 – 7 of CR-1

in the custody of the Commission as regulator under the continuing direction of this Honourable Court and so long as held by the Commission, the Commission shall be regarded as acting as trustee in the administration of trust assets within the meaning of the Trustee Act Ch.176 for the benefit of the clients and/or creditors of FTXDM, pending directions for the continued safe custody of the said assets issued by this Honourable Court to the joint provisional liquidators and/or the Commission in the proceeding for the winding-up of FTXDM or further order."

[Emphasis Supplied]

7. On 10 November 2023, this Honourable Court made an Order in Supreme Court Action No. 2022/COM/com/00060 ("the Winding-Up Proceedings") that FTXDM be wound-up and Messrs. Brian Simms, Peter Greaves and Kevin Cambridge be appointed as Joint Official Liquidators of FTXDM³.
8. As FTXDM is now in official liquidation, the Joint Official Liquidators have assumed the responsibility of taking all and any necessary steps to collect and get in all of the property and/or assets of FTXDM, whatever nature and wherever situate, including the digital assets presently held by the Commission.
9. Further, on 19th December 2023 FTXDM acting by the Joint Official Liquidators ("JOLs") as agents and without personal liability entered into a Global Settlement Agreement ("GSA") with FTX Trading Ltd. and its affiliated debtors and debtors-in-possession ("the US Debtors") subject to Court approval. The objective of the GSA, as far as possible, is to treat customers who prove in FTXDM's official liquidation no less favorably, when taken as a whole, than customers who claim in the Chapter 11 cases of the Debtors in the US Bankruptcy Court. As a consequence of my conversations with the JOLs and their counsel, my understanding is that the assets and liabilities of the Debtors and the FTXDM are so commingled that the pooling of assets of FTXDM with those of the Debtors pursuant to the terms of the GSA is in the best interest of the FTXDM's insolvent estate, its customers and other creditors. A true copy of the GSA is exhibited hereto pages 15 to 58 of CR-1.
10. Section 2.05 of the GSA which I have seen makes provision for the "Prompt Transfer of Digital Assets held by the SCB". The GSA states that FTX DM shall use commercially reasonable efforts to obtain the return of the Digital Assets held by the SCB. Upon such return, FTX DM shall

³ See pp. 8 – 11 of CR-1

transfer all such Digital Assets to the Debtors.

11. The GSA seeks to establish a harmonious and orderly framework for the further administration and distribution of the assets within FTXDM's insolvent estate, including the digital assets within the possession and custody of the Commission by virtue of the Transfer Order and Supplemental Transfer Order.
12. Accordingly, the Commission proposes to transfer possession and custody of the digital assets to the Joint Official Liquidators, or as the Joint Official Liquidators direct, subject to directions for the continued safe custody of the said assets issued by this Honourable Court to the Joint Official Liquidators in the FTXDM Winding-Up Proceedings.

(i) not file any motion or pleading (or support any motion or pleading filed by any other Person) with the Bankruptcy Court that, in whole or in part, is materially inconsistent with this Agreement or an Acceptable Plan.

Section 3.02 FTX DM's Commitments. During the Agreement Effective Period, FTX DM shall use commercially reasonable efforts to:

(a) provide access to the pre- and post-filing books and records of FTX DM as reasonably requested by the Debtors in connection with the Chapter 11 Approval Orders, the Chapter 11 Plan, and any related submissions to the Bankruptcy Court, subject to any applicable privileges;

(b) support solicitation, confirmation, approval, and consummation of an Acceptable Plan, including by voting the Stipulated PropCo Claim to accept an Acceptable Plan;

(c) to the extent any legal or structural impediment arises that would prevent, hinder, or delay solicitation, confirmation, approval, or consummation of an Acceptable Plan, support the Debtors in all reasonably necessary and desirable steps to address any such impediment;

(d) not object to, delay, impede, or take any other action to interfere with (i) solicitation, confirmation, approval, and consummation of an Acceptable Plan or (ii) any motion, application or other pleading or document filed by the Debtors in the Bankruptcy Court that is not inconsistent with this Agreement;

(e) not take or agree to take any action to support or facilitate in any manner any chapter 11 plan other than an Acceptable Plan; and

(f) not file any motion or pleading (or support any motion or pleading filed by any other Person) with the Bankruptcy Court that, in whole or in part, is materially inconsistent with this Agreement or an Acceptable Plan.

Article IV. The DM Liquidation

Section 4.01 FTX DM's Commitments. During the Agreement Effective Period, FTX DM shall use commercially reasonable efforts to:

(a) by no later than January 10, 2024, (x) file applications to obtain orders from the Bahamas Court, each in form and substance reasonably satisfactory to the Debtors sanctioning (i) this Agreement; (ii) the Properties Exclusive Sales Agency Agreement and the PropCo Sale Procedures; and (iii) the Advance DM Loan and (y) file a motion to approve this Agreement in the Bankruptcy Court with respect to the Chapter 15 Case (the "Bahamas Approval Orders"); *provided* that FTX DM agrees to file the application seeking an order from the Bahamas Court sanctioning the Properties Exclusive Sales Agency Agreement and the Properties Sales Procedures as soon as practicable;

(b) promptly conduct an Acceptable DM Liquidation;

(c) to the extent any legal or structural impediment arises that would prevent, hinder, or delay an Acceptable DM Liquidation, support and take all steps reasonably necessary and desirable to address any such impediment;

(d) obtain any and all required governmental, regulatory and third-party approvals for the implementation or consummation of this Agreement;

(e) timely file a formal objection to any pleading filed with the Bahamas Court by any Person seeking the entry of an order for relief that (i) is inconsistent with this Agreement in any material respect or (ii) would, or would reasonably be expected to, frustrate the purposes of this Agreement, including by preventing the consummation of an Acceptable DM Liquidation;

(f) give the Debtors prior notice of any report, motion, application, summons, petition or other pleading concerning this Agreement or any of the matters contemplated hereby that is filed on behalf of FTX DM with any court in The Bahamas;

(g) facilitate the Debtors' appearance, attendance and participation in any and all proceedings before any court in The Bahamas that concerns this Agreement or any of the matters contemplated hereby; and

(h) not file any motion, application, summons, petition, or pleading (or support any motion, application, summons, petition, or pleading filed by any other Person) with the Bahamas Court that, in whole or in part, is materially inconsistent with this Agreement or an Acceptable DM Liquidation.

Section 4.02 Debtors' Commitments. During the Agreement Effective Period, the Debtors shall use commercially reasonable efforts to:

- (a) support FTX DM's efforts in obtaining the Bahamas Approval Orders;
- (b) to the extent any legal or structural impediment arises that would prevent, hinder, or delay the Global Settlement, to support and take all steps reasonably necessary and desirable to address any such impediment;
- (c) not object to, delay, impede, or take any other action to interfere with (i) the Acceptable DM Liquidation or (ii) any motion, application or other pleading or document filed by FTX DM in the Bahamas Court that is not inconsistent with this Agreement;
- (d) not take or agree to take any action to support or facilitate in any manner a liquidation other than an Acceptable DM Liquidation; and
- (e) not file any motion or pleading (or support any motion, application, summons, petition, or pleading filed by any other Person) with the Bahamas Court that, in whole or in part, is materially inconsistent with this Agreement.

Article V. Claims, Distributions and Inter-Estate Funding

Section 5.01 The Bahamas Bar Date. FTX DM shall establish May 15, 2024, or such other date as the Parties may reasonably agree, as a bar date for Claims against FTX DM (the "Bahamas Bar Date"). Except as required under applicable Law, FTX DM shall not seek to move or alter the Bahamas Bar Date without the prior written consent of the Debtors, not to be unreasonably withheld.

Section 5.02 Responsibility for FTX.com Customer Entitlement Claims.

(a) Opt-In Election. In connection with the solicitation of an Acceptable Plan, the Parties shall provide each Dotcom Customer, other than Excluded Parties or the Dotcom Customer specified in the last sentence of Section 5.03(d)(v), the right to irrevocably elect by the Opt-In Deadline to have all (but not less than all) FTX.com Customer Entitlement Claims set forth in a Ballot in the Chapter 11 Cases or in a proof of debt in the DM Liquidation, as applicable, withdrawn with prejudice from the Chapter 11 Cases and administered, reconciled, valued, settled, adjudicated, resolved and satisfied in the DM Liquidation. Each Dotcom Customer may exercise the Opt-In Election either by election on its ballot in the Chapter 11 Cases or by executing and filing a proof of debt in the DM Liquidation containing a waiver of any such Dotcom Customer's Entitlement Claim against the Chapter 11 Debtors (an "Opt-In Election"). The applicable portions of such ballots, proof of debt and the related disclosures made by the Parties about the Opt-In Election shall be in form and substance reasonably satisfactory to each Party.

(b) Excluded Parties. Excluded Parties shall not be eligible to exercise the Opt-In Election. The Debtors shall provide FTX DM with an initial list of Excluded Parties by no later than the mailing of ballots for the Chapter 11 Plan. The Debtors may supplement or modify such list from time to time up to the thirtieth (30th) day following the Bahamas Bar Date, at which time the list of Excluded Parties shall be final and binding on both Parties.

(c) Allocation of Responsibility for FTX.com Customer Entitlement Claims.

All FTX.com Customer Entitlement Claims whose holders have validly exercised the Opt-In Election prior to the Opt-In Deadline shall be administered, reconciled, valued, settled, adjudicated, resolved and satisfied in the DM Liquidation and disallowed in full in the Chapter 11 Cases. All other FTX.com Customer Entitlement Claims shall be administered, reconciled, valued, settled, adjudicated, resolved and satisfied in the Chapter 11 Cases and shall be disallowed in full in the DM Liquidation.

Section 5.03 Classification and Treatment in the DM Liquidation.

(a) Classification. Each Claim Admitted in the DM Liquidation shall be classified in accordance with this Agreement as either (i) a DM Non-Customer Claim, (ii) a DM Customer Entitlement Claim, (iii) a DM Excess Claim or (iv) a Claim for Administrative Expense.

(b) Treatment of DM Non-Customer Claims. Each holder of an Admitted DM Non-Customer Claim shall receive, in full and final satisfaction, settlement, release and discharge of and in exchange for its Admitted DM Non-Customer Claim, payment in cash according to the Laws governing the DM Liquidation in an amount equal to such holder's pro rata share of the DM Non-Customer Claims Pool; *provided* that any such holder shall not be entitled to receive a distribution in an amount greater than the total amount of its Admitted Claim. There shall be no other recovery for holders of DM Non-Customer Claims.

(c) DM Non-Customer Account. The DM Non-Customer Account shall receive no funding by FTX DM at any time other than funding upon the Final Settlement Effective Date in an amount equal to \$15 million. The DM Non-Customer Account shall be the sole source of payment for DM Non-Customer Claims.

(d) Treatment of DM Customer Entitlement Claims.

(i) Subject to Section 5.03(d)(iv), each holder of an Admitted DM Customer Entitlement Claim shall receive, in full and final satisfaction, settlement, release and discharge of and in exchange for its Admitted DM Customer Entitlement Claim, distributions from FTX DM as set forth in this Section 5.03(d)(i). FTX DM shall make distributions on Eligible DM Customer Entitlement Claims and Ineligible DM Customer Entitlement Claims on the same distribution dates and on a ratable basis. Subject to there being sufficient DM Distributable Cash, the aggregate amount distributed, whether in cash or in kind, on all DM Customer Entitlement Claims (including both Eligible DM Customer Entitlement Claims and Ineligible Customer Entitlement Claims) on any distribution date shall equal the DM Customer Reference Amount for such distribution date.

(ii) Subject to Bahamas Court approval if necessary, FTX DM shall calculate the amount of a DM Customer Entitlement Claim to be equal to the fair market value of cash or Digital Assets on account at the FTX.com Exchange as of November 11, 2022; *provided* that Claims relating to the FTT token shall be valued at zero and treated as DM Excess Claims. FTX DM shall set the value of a Digital Asset at the U.S. Dollar

equivalent of the fair market value of such Digital Asset. FTX DM shall use commercially reasonable efforts to determine the fair market value of Digital Assets in a manner that is consistent with the valuation methodologies and processes adopted by the Debtors in consultation with FTX DM in the Chapter 11 Cases (as specified in the Plan Term Sheet).

(iii) The Debtors shall, at the request of FTX DM, take all commercially reasonable actions as may be reasonably appropriate or necessary to request that the Bankruptcy Court conduct one or more Joint Claims Hearings with the Bahamas Court.

(iv) FTX DM may request from time to time by notice to the Debtors that an otherwise Ineligible DM Customer Entitlement Claim be treated as an Eligible DM Customer Entitlement Claim in the event of bona fide discrepancies between mandatory allowance rules in the Chapter 11 Cases and the DM Liquidation. The Debtors shall consent to such request so long as such treatment does not increase the total amount of all Eligible DM Customer Entitlement Claims (taken together with all other requests pursuant to this Section 5.03(d)(iv)) by more than \$75 million.

(v) In the event that the Debtors agree with the FTX.com Exchange Assets Buyer to offer holders of FTX.com Customer Entitlement Claims an opportunity to trade their claims or receive their distributions on a digital currency exchange operated by the FTX.com Exchange Assets Buyer, FTX DM shall, at the request of the Debtors and to the extent permitted under applicable Law, offer the same opportunity to holders of DM Customer Entitlement Claims on the same terms and conditions; *provided that*, notwithstanding anything to the contrary in this Agreement, to the extent that FTX DM is not permitted under applicable Law to offer such opportunity, all holders of FTX.com Customer Entitlement Claims that elect to trade their claims or receive their distributions on such digital currency exchange shall not be eligible to exercise the Opt-in Election.

(vi) To the extent permitted by applicable Law, FTX DM shall treat as DM Excess Claims any DM Customer Entitlement Claim held by a Bahamas Customer that has not Commenced KYC by the KYC Cut-off Date.

(e) Treatment of DM Excess Claims. No holder of a DM Excess Claim shall receive any distributions on account of its DM Excess Claim.

(f) Treatment of Administrative Expense Claims. Each holder of an agreed Administrative Expense Claim against FTX DM shall receive cash in an amount equal to the full unpaid amount of such Admitted Administrative Expense Claim.

Section 5.04 Claim Objections.

(a) The Parties shall use commercially reasonable efforts to consult and coordinate in connection with Claims objections in order to facilitate a consistent approach to the administration of the estates.

(b) FTX DM shall reject and, if applicable, contest any DM Excess Claim or any Claim held by an Excluded Party in consultation with the Debtors, and shall not settle such Claim or make any distribution to the holder of such Claim.

(c) FTX DM shall not Admit in the DM Liquidation any Ineligible DM Customer Entitlement Claim without reasonable advance notice to the Debtors and an adequate opportunity, if the Debtors so request, to be heard on the matter in the Bahamas Court.

Section 5.05 Settlement of Dotcom Customer Preference Actions.

(a) The Debtors shall offer certain Dotcom Customers the opportunity to settle avoidance actions relating to withdrawals off the FTX.com Exchange (each, a “Dotcom Customer Preference Action”) consistent with the terms set forth in the Plan Term Sheet. The Debtors and FTX DM shall use commercially reasonable efforts to (i) make the same settlement offer to Dotcom Customers (the “Dotcom Customer Preference Offer”) available in the Chapter 11 Cases in the DM Liquidation and (ii) to release the settled Recovery Actions belonging to the estates of the Debtors and FTX DM upon acceptance of the offer. FTX DM shall not make a Dotcom Customer Preference Offer (x) on terms more favorable than those offered in the Chapter 11 Plan or (y) in respect of any preference claim identified by the Debtors as an Excluded Preference Claim in accordance with the Plan Term Sheet.

(b) FTX DM shall not make any distribution on a DM Customer Entitlement Claim to a Dotcom Customer in respect of whom there is a Dotcom Customer Preference Action unless (i) the Dotcom Customer Preference Action has been settled on terms not more favorable to an eligible counterparty than as contemplated by the Dotcom Customer Preference Offer, (ii) the Debtors have consented or (iii) the distribution is required by Bahamas Law, in which case the applicable DM Customer Entitlement Claim (or such part of it as would have been subject to extinguishment or set-off by reason of a DM Customer Preference Action) shall be deemed an Ineligible DM Customer Claim.

(c) The Debtors shall manage the assertion, adjudication and settlement of a Dotcom Customer Preference Action to the extent such Dotcom Customer Preference Action is not a defense to a DM Customer Entitlement Claim, except to the extent Recovery Actions against the applicable defendant have been allocated to FTX DM pursuant to Section 2.02(a).

Section 5.06 Inter-Estate Funding.

(a) Debtor Funding Obligation.

(i) The Debtors agree to provide FTX DM with the Advance DM Loan as soon as reasonably practicable following the Initial Settlement Effective Date, but no later than January 29, 2024. The Debtors and FTX DM shall agree to the terms of the Advance DM Loan in advance of the time necessary for the Parties to seek approval or sanction, as applicable, of the Advance DM Loan in accordance with this Agreement. FTX DM shall apply the proceeds of the Allowed DM Loan solely to pay Administrative Expenses.

(ii) To the extent that, on any distribution date, the DM Customer Reference Amount exceeds DM Distributable Cash, the Debtors shall advance, from funds allocated to the Dotcom Customer Pool, cash to FTX DM to pay distributions to holders of DM Customer Entitlement Claims; *provided* that the Debtors shall have no obligation to advance funds to FTX DM to finance distributions by FTX DM unless (A) FTX DM is in compliance with this Agreement in all material respects and (B) the Debtors shall have received reasonable assurance that such funds will not be used, directly or indirectly, to pay DM Non-Customer Claims or DM Excess Claims.

(b) FTX DM Funding Obligation. To the extent that, on any distribution date, the DM Distributable Cash exceeds the DM Customer Reference Amount, FTX DM shall pay such excess to the Debtors for application pursuant to the Chapter 11 Plan, so long as the Debtors are in compliance with this Agreement in all material respects. In addition, to the extent that, on any distribution date or at any other time, the amount of DM Distributable Cash exceeds the amount necessary to pay all remaining DM Customer Entitlement Claims in accordance with this Agreement, FTX DM shall pay such excess to the Debtors for application pursuant to the Chapter 11 Plan.

(c) Administrative Expenses. To calculate the amounts due under Section 5.06(a) and Section 5.06(b) (as applicable), each Party shall take into account the actual and projected Administrative Expenses of the other estate; *provided* that each Party reserves the right to object to any Administrative Expenses incurred by the other Party's estate to the extent permitted under applicable Law before (i) the Bankruptcy Court, if for Administrative Expenses of the Debtors or (ii) the Bahamas Court, if for Administrative Expenses of FTX DM. Each Party may make additional advances to the other Party to pay Administrative Expenses as the other Party may agree from time to time.

Section 5.07 Distributions.

(a) The Debtors shall make distributions to holders of Trading Customer Entitlement Claims and other creditor Claims pursuant to the terms of the Acceptable Plan and in accordance with this Agreement. FTX DM shall make distributions to holders of DM Customer Entitlement Claims and other creditor Claims in the DM Liquidation in accordance with this Agreement. The Parties shall use commercially reasonable efforts to coordinate record dates and distributions, align procedures and policies, minimize confusion among Claims holders, and minimize administrative costs and expenses.

(b) This Agreement is premised on a centralized distribution process in which each Allowed or Admitted holder of an FTX.com Customer Entitlement Claim receives that same recovery as another similarly-situated holder. Therefore, the Chapter 11 Plan administrator or FTX DM may require any holder of a FTX.com Customer Entitlement Claim to submit satisfactory evidence that such holder has not requested or received compensation for the same losses underlying such claim in connection with the other estate's distributions, or any return of customer property procedures or other judicial or administrative proceeding (including any proceedings with respect to FTX Australia Pty Ltd., FTX Express Pty Ltd., FTX Turkey Teknoloji ve Ticaret Anonim Şirketi, FTX Europe AG, FTX EU Ltd., Quoine PTE Ltd. or FTX Japan K.K.), and may refrain from making distributions on such Claim until such time as

satisfactory evidence is obtained or appropriate arrangements are in place ensuring that no holder receives more than any other holder under the Plan after taking into account such other potential recoveries.

Section 5.08 Know-Your-Customer.

(a) FTX DM shall adopt in the DM Liquidation the same know-your-customer procedures utilized by the Debtors from time to time in the Chapter 11 Cases (the "KYC Procedures"), which shall be developed in consultation with the JOLs.

(b) Each Party agrees that it shall not (i) Allow or Admit any FTX.com Customer Entitlement Claim (including Eligible DM Customer Entitlement Claims and Ineligible DM Customer Entitlement Claims) unless the holder of such FTX.com Customer Entitlement Claim has Commenced KYC by the KYC Cut-off Date or (ii) pay any FTX.com Customer Entitlement Claim (including Eligible DM Customer Entitlement Claims and Ineligible DM Customer Entitlement Claims) unless and until the holder of such FTX.com Customer Entitlement Claim has satisfied the KYC Procedures in respect of itself and the Original Customer of such FTX.com Customer Entitlement Claim.

(c) Each Party agrees to share information with the other Party concerning the KYC Procedures and any supplementary know-your-customer process from time to time to the full extent permitted under applicable Law.

(d) In each of the Chapter 11 Cases and the DM Liquidation, except as required by applicable Law, no FTX.com Customer Entitlement Claim shall receive any distribution unless (i) the holder of such FTX.com Customer Entitlement Claims as of the KYC Cut-off Date shall have Commenced KYC by the KYC Cut-off Date and (ii) the holder of such FTX.com Customer Entitlement Claims as of the applicable distribution date shall have fully satisfied the then-applicable KYC Procedures.

Article VI. Representations and Warranties

The Debtors, and FTX DM severally, and not jointly, represent, warrant and covenant to the other Party that, as of the Execution Date:

(a) To the extent applicable, it is validly existing under the Laws of the state of its organization, and this Agreement, upon approval of the Bankruptcy Court or the Bahamas Court, as applicable, is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Law relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, the Bankruptcy Code, and the Bahamas Code, no consent or approval is required by any other Entity in order for it to effectuate the transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) to the extent applicable, the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material

respect with any Law or regulation applicable to it or with any of its articles of association, memorandum of association, or other constitutional documents; and

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the transactions contemplated by, and perform its respective obligations under, this Agreement.

Article VII. Stay and Resolution of Adversary Proceeding

Section 7.01 Stay of Adversary Proceeding. Between the Execution Date and the dismissal of the Adversary Proceeding pursuant to Section 7.03, the Debtors, FTX DM and the JOLs (the "Adversary Proceeding Parties") shall procure that the Adversary Proceeding be voluntarily stayed and all actions held in abeyance pending the Bankruptcy Court's consideration of confirmation of the Chapter 11 Plan; *provided* that such stay may be terminated by either Party upon termination of this Agreement.

Section 7.02 Resolution of Adversary Proceeding. In full and final settlement and satisfaction of the Adversary Proceeding, the Adversary Proceeding Parties agree to settle on the Final Settlement Effective Date (a) all Claims and Causes of Action between the Parties that are asserted or could have been asserted in the Adversary Proceeding and all pending litigation between the Parties on the terms set forth in this Agreement, (b) all intercompany Claims between the Parties, except as provided otherwise in this Agreement, and (c) any potential objection either Party may have to such settlement on such terms.

Section 7.03 Withdrawal with Prejudice. No later than seven (7) days after the Final Settlement Effective Date, the Adversary Proceeding Parties shall withdraw with prejudice the Claims and counterclaims asserted in the Adversary Proceeding and seek to dismiss with prejudice any and all pending litigation between the Parties.

Article VIII. Termination

Section 8.01 Mutual Termination Events. Either Party may terminate this Agreement upon prior written notice to the other Party in accordance with Section 10.12 upon the occurrence of any of the following events:

(a) the breach in any material respect by the other Party of any of the covenants set forth in this Agreement that would have, or could reasonably be expected to have, an adverse effect on the Global Settlement or the transactions contemplated by this Agreement, which breach remains uncured for thirty (30) Business Days after the terminating Party transmits a written notice in accordance with Section 10.12 detailing any such breach;

(b) any representation or warranty in this Agreement made by the other Party shall have been untrue in any material respect when made or shall have become untrue in any material respect, and that would have, or could reasonably be expected to have, an adverse effect on the Global Settlement or the transactions contemplated by this Agreement, which remains uncured for thirty (30) Business Days after the terminating Party provides written notice of the

untrue nature of the representation or warranty in accordance with Section 10.12 detailing any such untruthfulness;

(c) the entry of an order by the Bankruptcy Court, or the filing of a motion or application by any Debtor seeking an order (without the prior written consent of FTX DM), (i) converting one or more of the Chapter 11 Cases of a Debtor to a case under chapter 7 of the Bankruptcy Code or (ii) terminating exclusivity under section 1121 of the Bankruptcy Code;

(d) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling, judgment or order that (i) enjoins the consummation of a material portion of the Global Settlement or the transactions contemplated by this Agreement and (ii) either (1) such ruling, judgment or order has been issued at the request of the non-terminating Party in contravention of any obligations set forth in this Agreement or (2) remains in effect for ten (10) Business Days after the terminating Party transmits a written notice in accordance with Section 10.12 hereof detailing any such issuance;

(e) the Initial Settlement Effective Date has not occurred by January 29, 2024;

(f) the Confirmation Order is reversed or vacated, and the Bankruptcy Court does not enter a revised Confirmation Order reasonably acceptable to the Parties within ten (10) Business Days;

(g) any of the Bahamas Approval Orders is reversed or vacated, and the Bahamas Court does not grant a revised Bahamas Approval Order or revised Bahamas Approval Orders (as the case may be) reasonably acceptable to the Parties within ten (10) Business Days;

(h) any of the Chapter 11 Approval Orders is reversed or vacated, and the Bankruptcy Court does not enter a revised Chapter 11 Approval Order or revised Chapter 11 Approval Orders (as the case may be) reasonably acceptable to the Parties within ten (10) Business Days;

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling, judgment or order that an Acceptable DM Liquidation is stayed or enjoined; or

(j) the Final Settlement Effective Date has not occurred by September 1, 2024.

Section 8.02 Effect of Termination. Upon the occurrence of a Termination Date, other than as provided by Section 10.18, this Agreement shall be of no further force and effect and each Party shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action. Nothing in this Agreement shall be construed as prohibiting either Party from contesting whether any such termination is in accordance with the terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date.

Except as expressly provided in this Agreement, nothing in this Agreement is intended to, or does, in any manner waive, limit, impair, or restrict any right of any Party or the ability of any Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its Claims against the other Party. No purported termination of this Agreement shall be effective under this Section 8.02 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement. Notwithstanding the foregoing or anything herein to the contrary, no Party may exercise any of its termination rights as set forth in Section 8.01 if such Party has failed to perform or comply in all material respects with the terms and conditions of this Agreement unless such failure to perform or comply arises as a result of the other Party's actions or inactions or would not otherwise give rise to a termination event in favor of the other Party. Nothing herein, including termination of this Agreement, shall be construed as a release or waiver of any claims arising out of, resulting from or related to a breach of this Agreement by any Party.

Article IX. Releases

Section 9.01 Mutual Releases. Subject to the occurrence of, and effective upon and after, the Final Settlement Effective Date, the Debtors, on the one hand, and FTX DM, on the other hand, on behalf of themselves, and each and all of their and their respective present and future officers, directors, agents, executors, administrators, provisional liquidators, liquidators, conservators, predecessors, successors and assigns, excluding any Excluded Party (all such releasing persons and entities collectively, the "Releasing Parties"), hereby fully, unconditionally and irrevocably release, relieve, waive, relinquish, remise, acquit and forever discharge each other and their respective present and future officers, directors, agents, executors, administrators, provisional liquidators, liquidators, conservators, predecessors, successors and assigns, excluding any Excluded Party (all such released persons and entities collectively, the "Released Parties") from, against, and in respect of any and all present and future Claims, cross-claims, counterclaims, third-party claims, demands, liabilities, obligations, debts, liens, damages, losses, costs, expenses, controversies, actions, rights, suits, assessments, penalties, charges, indemnities, guaranties, promises, commitments, or causes of action of whatsoever nature, whether based in contract, tort or otherwise, whether in law or equity and whether direct or indirect, known or unknown, asserted or unasserted, foreseen or unforeseen, fixed or contingent, that such Party may have or may have against any other Party since the beginning of time, under, arising out of or in connection with the Global Settlement or any other Claims that could be asserted, including any right to claim indemnification or an award of attorneys' fees or other costs and expenses incurred in, or in connection with the Global Settlement, in all cases other than as otherwise provided in this Agreement.

Section 9.02 Exceptions to Mutual Releases. Notwithstanding any other provision of this Agreement, the Parties' respective releases do not affect their respective obligations under this Agreement, the Parties' respective rights to bring any Claims or other Causes of Action arising out of or in connection with a breach of this Agreement.

Section 9.03 Incorporation. FTX DM shall perform such acts as may be necessary to effectuate and give full force and effect of the releases set forth in this Article IX in The Bahamas. The Debtors shall incorporate the releases set forth in this Article IX in the Acceptable Plan.

Article X. Miscellaneous

Section 10.01 Acknowledgements. Notwithstanding any other provision of this Agreement, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities Laws, provisions of the Bankruptcy Code, and/or other applicable Law.

Section 10.05 Complete Agreement. Except as otherwise explicitly provided in this Agreement, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter of this Agreement and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Existing Confidentiality Arrangement. The Parties acknowledge and agree that they are not relying on any representations or warranties other than as set forth in this Agreement.

Section 10.06 Governing Law. This Agreement is to be governed by and construed in accordance with the laws of the State of New York without giving effect to its conflict of laws principles to the extent that the application of the laws of another jurisdiction would be required thereby.

Each Party agrees that it shall not initiate any action or proceeding in any court or tribunal in respect of any claim arising out of or related to this Agreement without reasonable advance notice and consultation with the other Party. Each Party to this Agreement agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement in accordance with the cross-border dispute resolution protocol attached as Exhibit D hereto.

Section 10.09 Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each Person executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

Section 10.10 Rules of Construction. This Agreement is the product of negotiations among the Debtors and FTX DM, and in the enforcement or interpretation of this Agreement, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement. The Debtors and FTX DM were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

Any notice given by delivery, mail, or courier shall be effective when received.

Section 10.13 Admissibility. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating to this Agreement shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

Section 10.14 Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

Section 10.15 Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

Section 10.16 Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

Section 10.17 Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to, as applicable, the Debtors and FTX DM, submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

Section 10.18 Survival. Except as expressly provided herein, Section 10.05 (Complete Agreement), Section 10.06 (Governing Law), Section 10.07 (Dispute Resolution), Section 10.11 (Successors and Assigns), Section 10.12 (Notices), Section 10.13

(*Admissibility/FRE 408*), and Section 10.15 (*Severability and Construction*) shall survive any termination of this Agreement.

Section 10.19 Effectiveness. This Agreement shall become effective on the Initial Settlement Effective Date and shall be effective during the Agreement Effective Period.

Dispute Resolution Protocol

1. **Definitions.** Capitalized terms used but not defined herein have the meaning set forth in the Global Settlement Agreement, dated as of December 19, 2023 (the “GSA”), by and among the Debtors and FTX DM acting by the JOLs as agents and without personal liability. The following terms shall have the following definitions:

“**Covered Agreement**” means the GSA, the Properties Exclusive Sales Agency Agreement, the Advance DM Loan, and any other agreements, consents, certificates, amendments, assignments, or instruments in connection therewith or that otherwise expressly incorporate the terms of this Protocol (as defined below).

“**JIN Guidelines**” mean the Guidelines for Communication and Cooperation between Courts in Cross-Border Insolvency Matters issued by the Judicial Insolvency Network in October 2016 as reflected in Local Rule of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware 9029-2.

“**Plan Administrator**” means, (a) if prior to the Plan Effective Date, the Debtors’ Chief Executive Officer and (b) if on or after the Plan Effective Date, the plan administrator appointed pursuant to the terms of the Chapter 11 Plan.

2. **Exclusive Mechanism.** The Parties shall resolve any dispute, controversy, issue, claim, breach, enforcement or disputed termination arising out of or relating to any Covered Agreement (each, a “**Dispute**”) pursuant to the terms of this Dispute Resolution Protocol (the “**Protocol**”). The procedures set forth in this Protocol shall be the exclusive mechanism for resolving any Dispute that may arise from time to time between the Parties and no Party may initiate any action or proceeding in any court in respect of any Dispute without complying with this Protocol.

3. **Negotiation and Consultation without Judicial Intervention.** Either Party may give written notice to the other Party of the existence of a Dispute (“**Dispute Notice**”). Promptly following the delivery of a Dispute Notice, the Parties shall attempt in good faith to resolve any Dispute set forth in the Dispute Notice without judicial intervention by negotiation and consultation between themselves, including not fewer than one in person or virtual meeting between the Plan Administrator on behalf of the Debtors and the JOLs on behalf of FTX DM.

5. Failure to Reach Agreement on Concurrent Jurisdiction Procedure. In the event that the Parties do not reach an agreement with respect to the terms of a Concurrent Jurisdiction Procedure within twenty (20) days after the delivery of a Judicial Intervention Notice, either Party may bring any action or proceeding in respect of any Dispute in the Bankruptcy Court or the Bahamas Court.

6. Interim Measures. Each Party shall take such actions as may be reasonably necessary to preserve the *status quo* with respect to the subject matter of any *bona fide* Dispute pending resolution and either Party may make an application to any court of competent jurisdiction seeking interim measures reasonably necessary to obtain court approval of such actions from time to time. Any Party that seeks interim measures pursuant to this section shall give prompt written notice to the other Party attaching copies of the application seeking interim measures and any supporting documents filed with the applicable court.

FTX Debtors and FTX Digital Markets (Bahamas) Announce Global Settlement

19 Dec, 2023, 09:00 ET

Parties Agree to Work Together to Maximize Recoveries and Reconcile Claims

Customer Recoveries to Be Substantially Identical Regardless of Where Claims Are Presented

WILMINGTON, Del., Dec. 19, 2023 /PRNewswire/ -- FTX Trading Ltd. (d.b.a. FTX.com) and its affiliated debtors (together, the "*FTX Debtors*") announced today that they have reached a global settlement with Brian C. Simms KC, Peter Greaves and Kevin Cambridge, the Joint Official Liquidators (the "*JOLs*") on behalf of FTX Digital Markets Ltd. ("*FTX Digital Markets*"), the wholly-owned subsidiary of the Debtors that is subject to a liquidation proceeding in The Bahamas. The settlement is reflected in a Global Settlement Agreement, signed by the parties today. The Global Settlement Agreement is subject to the approval of the U.S. Bankruptcy Court for the District of Delaware (the "*Bankruptcy Court*") and the Supreme Court of the Bahamas Court (the "*Bahamas Court*" and, together with the Bankruptcy Court, the "*Courts*"), which approvals the parties have agreed to seek promptly.

The Global Settlement Agreement reflects a novel and mutually-beneficial solution to the complex cross-border legal issues raised by the circumstances of the collapse of the FTX group. Under the Global Settlement Agreement, and subject to the approval of the two Courts:

- For the purposes of making distributions to FTX.com customers, the FTX Debtors and FTX Digital Markets will pool assets and coordinate the establishment of reserves and the timing and amount of distributions, in order to ensure that FTX.com customers in both proceedings receive substantially identical relative distributions at substantially identical times.
- Subject to the Global Settlement Agreement, all customers of FTX.com (other than insiders and certain excluded customers against whom the FTX Debtors have pending or potential claims) will have the election to have their claims reconciled and paid in the Chapter 11 cases of the FTX Debtors or in the liquidation proceeding for FTX Digital Markets in the Bahamas, under elective procedures to be finalized and proposed to the Courts for prior approval. The parties intend that this election by customers will not have material economic consequences for holders of claims.
- The FTX Debtors and FTX Digital Markets have agreed to seek to reconcile their approaches to the valuation of FTX.com customer claims in order to minimize potential discrepancies in the administration of their respective proceedings.
- All FTX.com customer claims for cash or digital assets (other than those relating to NFTs) will be valued in both proceedings in U.S. Dollars as of the applicable petition dates, with no differential payments based on post-petition fluctuations in asset prices.
- The valuation of digital assets at the petition time will reflect a consensual approach between the FTX Debtors and FTX Digital Markets, approved by both Courts.
- FTT interests against the FTX Debtors and FTX Digital Markets will be treated as equity and not receive any recovery.
- customer preferences will be reconciled in a jointly-administered process, pursuant to which the FTX Debtors and FTX Digital Markets will apply a consensual preference policy informed by the settlement announced by the FTX Debtors on October 16, 2023.
- FTX DM will adopt the same know-your-customer procedures implemented by the FTX Debtors in the Chapter 11 cases. KYC will be implemented in a coordinated manner designed to ensure compliance with applicable law in the United States, The Bahamas and all other applicable jurisdictions.
- Eligible FTX.com customers are expected to make the election on their plan ballot or by a separate process in the second quarter of 2024 to determine the jurisdiction in which they elect to have their claims reconciled and paid. The FTX Debtors and FTX Digital Markets currently anticipate that eligible FTX.com customers will be able to make this election either in response to Chapter 11 plan ballots distributed by the FTX Debtors or a separate proof of debt form filed in FTX Digital Markets' liquidation proceeding.

- FTX.com customers will be required to elect to file their claim either against the FTX Debtors or FTX Digital Markets, and shall not be permitted to file the same claim in both proceedings and will release their claims in the proceeding that is not elected. Eligible FTX.com customers that do not make any election will have their claims reconciled and paid in the Chapter 11 cases.

FTX.com customers are cautioned that the Global Settlement Agreement has not been approved by either Court and may change materially. More information about the reconciliation and treatment of FTX.com customer claims by the FTX Debtors and FTX Digital Markets and related risks will be included in the Disclosure Statement prepared by the FTX Debtors and approved by the Bankruptcy Court prior to any solicitation of FTX.com customers.

The Global Settlement Agreement also includes important agreements between the FTX Debtors and FTX Digital Markets with respect to the monetization of the assets of the FTX group and inter-estate funding. The parties have agreed that, subject to the approval of both Courts, FTX Digital Markets will take the operational lead in managing the value-maximizing disposition of real estate and other assets in The Bahamas and in pursuing specific litigation and avoidance actions identified in the Global Settlement Agreement as part of the ongoing efforts to maximize recoveries for customers and creditors. The FTX Debtors will take the operational lead in all other recovery activities. In each case, the parties will cooperate, share information and efficiently utilize the assistance of their respective Courts.

"The Global Settlement Agreement is another critical milestone for the FTX Debtors," said John. J. Ray III, Chief Executive Officer and Chief Restructuring Officer of the FTX Debtors. "The unique challenges raised by the conflicting filings of the FTX Debtors and FTX Digital Markets have been some of the toughest the team has faced. But we recognized at the beginning that we have an overlapping constituency: FTX.com customers. I am thrilled to have achieved a settlement so clearly in customer interests, one that also respects the important role to be played by the Joint Official Liquidators and The Bahamas in the global recovery effort."

The Global Settlement Agreement and the Amended Plan

The Global Settlement Agreement, if approved by both Courts, will constitute a component part of the plan of reorganization in the Chapter 11 cases. The amended plan of reorganization filed by the Debtors on December 16, 2023 will be revised to incorporate the global settlement with the JOLs and may continue to be adjusted as the FTX Debtors continue to make progress fitting together the parts of a consolidated approach to the consensual resolution of the Chapter 11 cases of the FTX group.
